

WHAT IS MORE ACCURATE?

(A) - A GOVERNMENT SHUTDOWN

**(B) - A SHUTDOWN OF
“WASTEFUL-GOVERNMENT”**

NOTE #1: Government does not pay for anything
...Tax Payers do.

NOTE #2 - Why not Defund the Government's Wasteful Spending? That is, we use the term 'wasteful' ... meaning, *"How has Endless Welfare helped the Poor?"*

NOTE #3 - In regards to Corporate Welfare, *"Who pays for Welfare like Public Housing, Section 8, SNAP, WIC, and EBT?"* - Is it the Rich, the Corporations, and the Middle Class? Or do *"The Poor"* pay for their own Food Stamps?
