

How can anyone be a

RACIST

when even the Black Woman does not want to live with the Black Man?

#1 - Nationwide 72% of the Black Mothers with children are single (and with 89% in Low Income areas).

#2 - Most of the advertising Billboards for free STD/HIV testing are located in low-income areas.

This doesn't just mean a medical epidemic, but lots of (a) Sleeping Around, (b) Betrayal, and (c)

Payback. Basically, the Ghetto, is a non-stop, 24/7 Day-Time TV Talk

Show fueled by Social Carrots and Alcohol.
