

KNOW THY ENEMY

In Blue Democrat Cities, there are Federal Consent Decrees that result in Endless Nickle & Dime Rules and Regulations. These rules are enforced by the local police Public Integrity Bureaus (PIB) and essentially question and Second Guess every police officer's decision from car chases to interactions with violent career criminals.

Hence, the local police PIB's Never-Ending 2nd Guessing Investigations and Unfair Racially Biased Disciplinary Actions **discourage** police from doing their jobs. One should not be surprised this **discouragement** is by design from Civil Rights Groups, SJW, and Leftists and produces one of their desired goals of Low Police Morale. This is because the aforementioned groups play a big role in Federal Consent Decrees.

Accordingly, many police officers transfer out of Blue cities into a Red Cities/Suburbs. In other words, the Blue City's PIB is the Liberal Democrat Gov't version of **BLM's Defund Police** via **discouraging police**.
