

WANTED

THE REAL KILLERS OF AN OFF-DUTY NEW ORLEANS POLICE OFFICER IN HOUSTON

Who VOTED for the Liberal Blue Democrat Judges and District Attorneys who repeatedly allowed these killers and thugs out of jail? (and not just once or twice, but dozens of times)?

Who VOTED for the Liberal Democrat Judges and DAs who allowed career criminals like George Floyd out of jail dozens of times?

Who VOTED for the BLM Democrat Politicians who reduced the sentencing (via Liberal Democrat plea deals) and green-lighted "slap on the wrist" punishment for these cop killers?

Who VOTED for the Blue Democrat politicians who green-lighted BLM Riots and Protests to "Defund The Police"?

In other words, the "**community**" that voted and supported the BLM and Liberal Democrat Policies GOT the (1) Crime, (2) Career Criminals, and (3) the Killers (of this Off-Duty New Orleans Police Officer in Houston), *that they voted for.*
