

# THE GOVERNMENT ON COVID-19 PROTESTS:

*“The Truckers’ Protests hurt Businesses and People as We are **NOT** All in the Same Boat”*

**#1** - For The Government to say that *truckers protesting and blocking roads hurts businesses and people . . . well, that’s Hypocritical and Contradictory* as it was The Government who shut down businesses and the people for over two (2) years.

**#2** - Notice who ***still got paid*** this whole time? The Governments. The Government is ***not*** in the Same Boat as The People and Businesses, because the Local, State, and Federal governments workers and officials ***still got paid*** this entire Covid-19 Pandemic.
