

VOTE FRAUD: A CAN OF WORMS?

Judge Not, Lest Ye Be Judged - Jesus

QUESTION

Why are the GOP Leaders in Legislators in PA, MI, WI, NC, and AZ not screaming about voter fraud and calling its members to go into session to investigate vote fraud and count the legal votes?

ANSWER

Maybe it's because Long-Time GOP leaders knew about decades of Blue City Vote Fraud and were forced to play by the Blue City set of rules and committed their own vote fraud and/or Back-Door Deals with Blue Leaders to be a Legislative Leader. This is because they know that 50% of the People don't even care to vote, but instead *voted with their feet*. Then again, most of the society's problems are in Blue Cities anyway, and they want Gov't and endless new laws to fix their own *self-inflicted* problems on their 60+ years crime and poverty that are fueled by Welfare and Social Carrots.

Contact your representatives and ask,

#1 - WHY VOTE *RED* WHEN *BLUE* CITIES CHEAT AND ARE ALLOWED TO FRAUDENTLY WIN?

#2 - DEMAND THE GOP RANK & FILE MEMBERS PUSH THEIR GOP LEADERS TO CALL A SESSION ON VOTE FRAUD.
