

HOLLYWOOD STAGED PHOTO?

THAT HORNED GUY

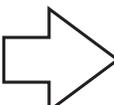

RIOTER? TRUMP SUPPORTER? QANON? OR OUT-OF-WORK ACTOR?

#1 - What exactly is a Half-Naked Guy, with unique body tattoos, actually going to do against Capitol Police except for a Photo Op?

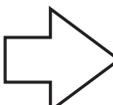

#2 - Notice how Horned Guy is surrounded by stereotypical bearded white males that Liberals like to say are White Trash Racists. And notice how all these other white males are noticeably shorter to make Horned Guy look taller. Easily supplied by a Hollywood Casting agency.

#3 - Notice the Picture Perfect Photo Op in the Room. That is, many paintings on the walls, uniquely designed flooring, excellent lighting, and the Horned Guy and his group are Perfectly Centered and Evenly Spaced. So perfect, it looks like a staged Photo Op that was Hollywood pre-planned? Or maybe that Out-of-Work Horned Guy Actor is an expert in the Capitol Building layout and architecture?
