OK. Let's Play their game and Kick it Up a Notch. Bam!!!**

Just a few Marge-Simpson-Like Letters to one (1) Small Local Advertiser (not Media) can start a domino effect where you can add more people, & more local advertisers in a Local boycott.

Dear [insert LOCAL Advertiser here],

Why advertise on *LOCAL Liberal or RINO Media*:

(1) when they doctored (via Hollywood Movie Editing), the George Floyd video footage and made a violent career criminal look like an angel?

... [INSERT COMPLETE LIST HERE] ...

I strongly suggest finding other true LOCAL Conservative Media outlets to advertise, otherwise for me to support and purchase your company's [services or product] only fuels *LOCAL Liberal or RINO Media* to continue promoting failed Liberal polices and cover up Voter Fraud which has significantly increased local crime, local corruption, and urban decay.

...

Sincerely,

[your name here]

NOTE: use the term LOCAL Liberal / Rino Media - keep vague for legal reasons
