

# KNOW THY ENEMY

## QUESTION:

**WHY SHOULD CONSERVATIVES  
REMOVE THE FILIBUSTER?**

## ANSWER:

**POINT #1** - Why would the Democrats keep the filibuster when (1) Democrats cheated and stole the 2020 Election, (2) Won't even define what a woman is, (3) Want Millions of Illegals and Criminals to pour into America, (4) Created fake day care centers and fake schools to steal billions of Tax Payer Money, and also (5) Staged a Hollywood Fake Riot on Jan 6th?

If Democrats got rid of the filibuster, American Red states would secede from the Union (because of massive Voter Fraud by the Left), and we would have Civil War...and then we would be Fighting your way out of Democratic Socialism as opposed to Voting your way out of Socialism.

**POINT #2** - *Show them no mercy, for you shall receive none!* - **Aragorn II- Lord of the Rings** - In other words, get rid of the filibuster as Democrats will also get rid of it when they are in power. ...know thy enemy
