

GEORGIA STING

QUESTION: Why should Conservatives vote in the Georgia Senate Races?

ANSWER: To setup an "IN-YOUR-FACE" STING operation. This can expose the fraud either thru (1) the vote results to highlight PAST vote fraud and (2) more closely monitor poll worker actions to expose NEW fraud. By Conservatives voting, it's a power play to force Democrats to show their cheating hand and win the long game in the Court of Public Opinion.
