

ULTIMATUM

To protect the integrity of the vote, give
The Left this option:

A: STICK

Or, some sort of Stick vs The Carrot

or

B: RE-VOTE

with (1) Stringent ID checks like they do in all other foreign countries, (2) no domestic mail-in ballots, (3) full 100% transparency of vote counts at polls, (4) verification of Legal Votes, and (5) a Constitutional Amendment to protect the integrity of the vote.

NOTE: The Massive Election Cheating in many Left-Wing Controlled Cities is total fraud. And if this is not stopped now, and from here on, Conservatives would never win another election.
