

ULTIMATUM

To protect the integrity of the vote, give Democrats (Liberals) this option:

A: CIVIL WAR

or

B: RE-VOTE

with (1) Stringent ID checks like they do in all other foreign countries, (2) no mail-in ballots, (3) full 100% transparency of vote counts at polls, (4) verification of Legal Votes, and (5) a Constitutional Amendment to protect the integrity of the vote.

NOTE: The sudden change overnight in vote totals in many Democratic Controlled Cities is total fraud. And if this is not stopped now, and from here on, Conservatives would never win another election.
