

MORE WELFARE MORE DISRESPECT

How can the Black *Woman* respect the Black Man if the Black Man doesn't really pay the bills? Well, it doesn't and it's why 90% of the Black Mothers with Children are Un-Married.

TO THE BLACK MAN:

Keep voting for all that free stuff from 'affordable' housing, food stamps, child care, school lunches, affordable health care, free education, free cell phones, then you, the Black Man, will get the disrespect from the Black *Woman* that you voted for.
