

# NEVER TRUMPERS

*e.g. Liberal Christians, Lincoln Project, RINO, etc.*

# THE CHEATERS

## POINT #1:

Remember the two Bush Administrations with the first Bush that said, "READ MY LIPS, NO NEW TAXES." And what happened after that Bush broke that promise to "Reach-across-the-aisle"? Clinton won...twice. Then GW Bush's "Compassionate Conservatism" gave us Obama, where McCain and Romney both lost! And didn't Senate Leader McConnell sabotage GOP Senate Candidates where the GOP were outspent 2-to-1 in the key 2022 Senate Races? e.g., Democrat Sen. Maggie Hassan outspent GOP Don Bolduc \$26 million to \$2 million!

## POINT #2:

If Democrats will CHEAT against Trump and the GOP, you can be sure it will be the same for DeSantis. So, let Trump go first, 2024.
