

# IN PUBLIC SCHOOLS

#1 Atheism ▶ Communism ▶ Corruption ▶ Collapse  
e.g. USSR  
Communist  
China

#2 Godless Public Schools via ACLU ▶ LACK OF BELIEF i.e., Atheism ▶ LACK OF MORALS ▶ LACK OF DISCIPLINE ▶ THE GHETTO

Note A - The Christians in The Ghetto appear to be Christians IN NAME ONLY as evidenced by (1) Planned Parenthood clinics (and NO FATHERS), (2) highest number 911 calls (coming from within about their neighbors), (3) a liquor store/gas station on every other street corner & (4) lots of Pharisee-Like Ministers.

Note B - The state does not pay for public schools. The Tax Payer does.

Note C - Perhaps Local Tax Payers can decide what Bible classes are taught at EACH school. If there can be many types of science, history, and math, why not Christianity, based upon local tax payer decisions?

Note D - Christianity is what created the American Dream, not Islam. As Islam, in its entire 1,400 year history has never had peace with other religions or countries, or even itself, e.g., Shities vs Sunnis.
