

The N-Word? Racist? Or Righteous?

BACKGROUND INFO

A judge in Louisiana was overheard using the N-Word when a career criminal broke into the judge's house. And hence, Liberals, SJWs and BLM types screamed "racist", which led to a suspension and then the retirement of this judge.

THE QUESTION

Did this judge, using the N-word, use the correct Label and description for this career criminal? If so, then didn't that judge tell the truth? That is,

*Swear to tell the Truth, the whole truth, and nothing
but the truth. So help me God.*

MORE ANALYSIS

So any judge who used the N-word in the past is disqualified from being a judge? If the N-Word is not OK, are Curse Words not OK? (1st Amendment Questions?) And If this judge is disciplined, then it raises questions about Un-Equal Protection, the 14th Amendment, as then all judges cannot use the N-word?
