QUESTION:

(1) - Who are today's archeologists and biblical scholars to say how the Bible should be written and by who?

(2) - The Bible is the Word of God, not Man and hence does not follow the rules of biblical scholars or archeologists on how the Bible should be written to be valid or Man's Truth.

(3) - God does not write like a Man using paper and ink.

(4) - God writes onto the Hearts of Men.

For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

- Isaiah 55:8-9
