MATH

Atheists "I give myself Meaning" Addition:

$$1+1+1+1+1+1 = 0$$

Atheist's Subtraction:

$$\begin{array}{l} \text{Public} \\ \text{Schools} \end{array} - \text{God} = \begin{array}{l} \text{Inner City} \\ \text{Schools} \end{array}$$

Atheist's Multiplication:

$$\begin{array}{l} \text{Godless} \\ \text{Public} \\ \text{Schools} \end{array} \times \begin{array}{l} \text{Tax-Payer} \\ \text{Funded} \\ \text{Social Carrots} \end{array} = \begin{array}{l} \text{Same Old} \\ \text{Inner City} \\ \text{Schools} \end{array}$$

Atheist's Division:

I spend half my time in saying that I am agnostic as my beliefs are all over the place and change a lot. But don't say my Life has No Meaning. That's those *Nihilists* who think like that!
