

Atheist Logic

The “I give Myself Meaning” Atheist:

While I don't believe in a God, or the Afterlife, my life still has meaning. In fact, I try to make life better for everyone. And if everyone does the same, we will all be better for it. My life's meaning is what I make of it.

The Atheist “Big Picture” Summary:

$$1+1+1+1+1+1 = 0$$
