QUESTION #1 - What other document can compare to the Bible, or the words of Jesus?

QUESTION #2 - If the Bible was really written by humans, should not *other* documents be comparable to the Bible, as those *other* documents were written by humans?

QUESTION #3 - One book (written by God) changed the world, for the better. That is,

Bible => Christianity => American Dream.

But can we say that about any other book written by Man?
