

RELIGION MAN-MADE?

THE QURAN: WRITTEN BY A HUMAN SEX ADDICT? NOT

GOD OR ALLAH. - Wasn't the Quran written by a man as look at the seventy-two (72) virgins promised after death?

However, look at the Bible. Jesus said in Heaven there be no more marriage between man and woman, but they will be like angels.

Jesus replied, "You are in error because you do not know the Scriptures or the power of God. At the resurrection people will neither marry nor be given in marriage; they will be like the angels in heaven. But about the resurrection of the dead—have you not read what God said to you, 'I am the God of Abraham, the God of Isaac, and the God of Jacob'? He is not the God of the dead but of the living." When the crowds heard this, they were astonished at his teaching.
