

# TO RUSSIAN TROOPS WHY FIGHT?

## BACKGROUND

Did not the USSR Leaders *lie* about Afghanistan? And how many Russians died in Afghanistan before the USSR collapse?  
NOTE: Ukraine is not Afghanistan.

## WORLDWIDE CONDEMNATION OF UKRAINE INVASION

Hasn't Russia been kicked out of the Free World? And hasn't SWIFT blocked Russian banks and Billionaires? And hasn't the major companies divested from Russia? And hasn't Switzerland also blocked Russia?

## IS PUTIN THE LIBERATOR? OR ... LIAR?

If the USSR collapsed after the Afghanistan War, why shouldn't Putin and the Russian Gov't collapse with Ukraine? And isn't that 25-foot table Putin has meetings with, to reduce an assassination attempt from his own circle? Why fight for a Vladimir Putin who cannot even trust his own advisors or generals to not assassinate him? ***If Putin and Russia were really liberating and peacekeeping in Ukraine, Georgia, Chechnya, Luhansk, Donetsk, & Crimea, why did the USSR breakup?*** Did not the USSR promise the same things to its satellite states?
